This book explores how cultural policies are reflected in the design, management and promotion of the Olympic Games. Garcia examines the concept and evolution of cultural policies throughout the recent history of the Olympic Games and then specifically evaluates the cultural program of the Sydney 2000 Olympic Games. She argues that the cultural relevance of a major event is highly dependent on the consistency of the policy choices informing its cultural dimensions, and demonstrates how such events frequently fail to leave long-term cultural legacies, and are often unable to provide an experience that fully engages and represents the host community, due to their over-emphasis on an economic rather than a social and cultural agenda.

Tallinn Manual 2.0 expands on the highly influential first edition by extending its coverage of the international law governing cyber operations to peacetime legal regimes. The product of a three-year follow-on project by a new group of twenty renowned international law experts, it addresses such topics as sovereignty, state responsibility, human rights, and the law of air, space, and the sea. Tallinn Manual 2.0 identifies 154 'black letter' rules governing cyber operations and provides extensive commentary on each rule. Although Tallinn Manual 2.0 represents the views of the experts in their personal capacity, the project benefitted from the unofficial input of many states and over fifty peer reviewers.

The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.).

This latest edition of The Pearson General Studies Manual continues to provide exhaustive study material for the General Studies paper of the UPSC Civil Services Preliminary Examination. This student-friendly book has been completely revised, thoroughly updated and carefully streamlined and is strictly exam-centric. In this new edition, a large number of new boxes and marginaliaâ€”with additional and relevant informationâ€”have been added to provide cutting-edge information to the aspirant. Readers will find that important facts and information have been presented in the form of well-structured tables and lists.
