THE NEW NOVEL FROM THE AUTHOR OF THE #1 BESTSELLER THE STONE MAN  
PRAISE FOR LUKE SMITHERD'S WRITING: ..". a novel that intrigues, enthralls, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can." - Ain't It Cool News.com ..". strong characterization, moral quandaries, mystery, and a whole lot of tense moments. Reading the final sentence was truly a bittersweet moment." - SFsignal.com, Hugo award-winning website Martin Hogan is being watched, all of the time. He just doesn't know it yet. It started a long time ago, too, even before his wife died. Before he started walking every day. Before the walks became an attempt to find a release from the whirlwind that his brain has become. He never walks alone, of course, although his 18 month old son and his faithful dog, Scoffer, aren't the greatest conversationalists. Then the walks become longer. Then the other dog starts showing up. The big white one, with the funny looking head. The one that sits and watches Martin and his family as they walk away. All over the world, the first attacks begin. The Brotherhood of the Raid make their existence known; a leaderless group who randomly and inexplicably assault both strangers and loved ones without explanation. Martin and the surviving members of his family are about to find that these events are connected. Caught

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

at the center of the world as it changes beyond recognition, Martin will be faced with a series of impossible choices ... but how can an ordinary and broken man figure out the unthinkable? What can he possibly do with a head full of knives? Luke Smitherd (author of the Amazon bestseller THE STONE MAN and THE BLACK ROOM series) asks you once again to consider what you would do in his latest unusual and original novel. A HEAD FULL OF KNIVES is a supernatural mystery that will not only change the way you look at your pets forever, but will force you to decide the fate of the world when it lies in your hands. PRAISE FOR LUKE SMITHERD: "Fantastically written characters who make you care about them right from the off." - Andy Pettifer "It was one of those books where you tell yourself you will read just one more page, then look at the clock and realise that it's 2 hours later. I would thoroughly recommend it" - Elaine Hosegood "I have owned a Kindle for about 2 years and downloaded some excellent books for very little cost but Luke Smitherd's works beat the lot" - Silversmith, Amazon UK Review "As soon as I started reading I was completely sucked in, which very rarely happens for me. I couldn't wait to get home and read it each night. I laughed. I cried. I did actual real life gasps of horror." - Katie, Amazon Review "I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one."- Steve Sut, Amazon UK Review "This story could, probably should, be made into a movie at some point. I honestly have to believe

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

that Smitherd should contact a producer/director and make a fabulous movie deal. Totally enjoyed the read." - Bonnie Gleckler Clark, Goodreads

"Tense, twisty, and packed with shocks...a terrific read."—Riley Sager, New York Times bestselling author of Home Before Dark "An addictive and riveting psychological thriller. Put this one at the very top of your 2021 reading list."—Liv Constantine, internationally bestselling author of The Last Mrs. Parrish Six friends. One college reunion. One unsolved murder. Ten years after graduation, Jessica Miller has planned her triumphant return to her southern, elite Duquette University, down to the envious whispers that are sure to follow in her wake. Everyone is going to see the girl she wants them to see—confident, beautiful, indifferent. Not the girl she was when she left campus, back when Heather Shelby's murder fractured everything, including the tight bond linking the six friends she'd been closest to since freshman year. But not everyone is ready to move on. Not everyone left Duquette ten years ago, and not everyone can let Heather's murder go unsolved. Someone is determined to trap the real killer, to make the guilty pay. When the six friends are reunited, they will be forced to confront what happened that night—and the years' worth of secrets each of them would do anything to keep hidden. Told in racing dual timelines, with a dark campus setting and a darker look at friendship, love, obsession, and ambition, In My Dreams I Hold A Knife is an addictive, propulsive read you won't be able to put down.

From the bestselling author of THE STONE MAN comes a new collection of thought-provoking urban science fiction...Praise for WEIRD. DARK.: "For me there is no greater joy than seeing an artist excel at his craft. WEIRD and DARK, yes, but more importantly ...exciting and imaginative. Whether you've read his novels and are already a fan or these stories are your first introduction to Smitherd's work, you'll be blown away by the abundance of ideas." - Ain't It Cool News.com Luke Smitherd is bringing his unique brand of strange storytelling once again, delivered here in an omnibus edition that collects four of his weirdest and darkest tales: MY NAME IS MISTER GRIEF: what if you could get rid of your pain immediately? What price would you be prepared to pay? HOLD ON UNTIL YOUR FINGERS BREAK: a hangover, a forgotten night out, old men screaming in the street, and a mystery with a terrible, terrible answer ...THE MAN ON TABLE TEN: he has a story to tell you. One that he has kept secret for decades. But now, the man on table ten can take no more, and the knowledge - as well as the burden - is now yours. EXCLUSIVE story, THE CRASH: if you put a dent in someone's car, the consequences can be far greater - and more strange - than you expect.

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

the 1980s and 1990s. Romantic, witty and warm. There are three kinds of guys: forks, knives, and spoons. That is the final lesson that Amy York's father sends her off to college with, never suspecting just how far his daughter will take it. Clinging to the Utensil Classification System as her guide, Amy tries to convince her skeptical roommate, Veronica Warren, of its usefulness as they navigate the heartbreaks and soul mates of college and beyond. Beginning in 1988, their freshman year at Syracuse University, Amy and Veronica meet an assortment of guys—from slotted spoons and shrimp forks to butter knives and sporks—all while trying to learn if the UCS holds true. On the quest to find their perfect steak knives, they learn to believe in themselves—and not to settle in love or life.

Drawing on events touched on in the prologue of Steven Erikson's landmark fantasy Gardens of the Moon: A Malazan Book of the Fallen, Night of Knives is the first in Ian C. Esslemont's Novels of the Malazan Empire series--a momentous chapter in the unfolding story of the extraordinarily imagined world of Malaz. The small island of Malaz and its city gave the great empire its name, but now it is little more than a sleepy, backwater port. Tonight, however, things are different. Tonight the city is on edge, a hive of hurried, sometimes violent activity; its citizens bustle about, barring doors, shuttering windows, avoiding any stranger's stare. Because tonight there is to be a convergence, the once-in-a-generation appearance of a Shadow Moon--an occasion that threatens the good people of Malaz with demon hounds and other, darker things... It was also prophesied that this night would

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

witness the return of Emperor Kellanved, and there are those prepared to do anything to prevent this happening. As factions within the greater Empire draw up battle lines over the imperial throne, the Shadow Moon summons a far more ancient and potent presence for an all-out assault upon the island. Witnessing these cataclysmic events are Kiska, a young girl who yearns to flee the constraints of the city, and Temper, a grizzled, battle-weary veteran who seeks simply to escape his past. Each is to play a part in a conflict that will not only determine the fate of Malaz City, but also of the world beyond... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the once beautiful city of Aleppo, one Syrian family descends into tragedy and ruin. Irrepressible Sawsan flirts with militias, the ruling party, and finally religion, seeking but never finding salvation. She and her siblings and mother are slowly choked in violence and decay, as their lives are plundered by a brutal regime. Set between the 1960s and 2000s, *No Knives in the Kitchens of this City* unravels the systems of fear and control under Assad. With eloquence and startling honesty, it speaks of the persecution of a whole society.

"What is he? A friend, or an enemy?" "He is a murderer." Will has just killed a man. He's on the run. His escape will take him far beyond his own world, to the eerie disquiet of a deserted city, and to a girl, Lyra. Her fate is strangely linked to his own, and together they must find the most powerful weapon in all the worlds... The

second volume in Philip Pullman's incredible HIS DARK MATERIALS trilogy. First published in 1995, and acclaimed as a modern masterpiece, it won the UK's top awards for children's literature.

THE #1 AMAZON BESTSELLER! PRAISE FOR LUKE SMITHERD'S WRITING: "... a novel that intrigues, enthralls, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can." - Ain't It Cool News.com What do the dead do when they can't leave...and don't know why? The afterlife doesn't come with a manual. In fact, Hart and Bowler (two ordinary, but dead men) have had to work out the rules of their new existence for themselves. It's that fact (along with being unable to leave the boundaries of their city centre, unable to communicate with the other lost souls, unable to rest in case The Beast should catch up to them, unable to even sleep) that makes getting out of their situation a priority. But Hart and Bowler don't know why they're there in the first place, and if they ever want to leave, they will have to find all the answers in order to understand the physics of the dead: What are the strange, glowing objects that pass across the sky? Who are the living people surrounded by a blue glow? What are their physical limitations in that place, and have they fully explored the possibilities of what they can do? Time is running out; their afterlife was never supposed to be this way, and if they don't make it out soon, they're destined to end up like the others. Insane, and alone forever... In this creeping, mysterious debut novel from the author of the Amazon #1 Bestseller THE STONE MAN, the richly-built world of THE PHYSICS OF THE DEAD

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

will slowly draw you in with an icy grip until you are left gasping. PRAISE FOR 'THE STONE MAN'... strong characterization, moral quandaries, mystery, and a whole lot of tense moments. Reading the final sentence was truly a bittersweet moment." - SFsignal.com, Hugo award-winning website

From award-winning author Gareth L. Powell, the second book in the critically acclaimed Embers of War space opera series. The former warship Trouble Dog and her crew follow a distress call from the human starship Lucy's Ghost, whose crew have sought refuge aboard an abandoned generation ship launched ten thousand years before by an alien race. However, the enormous vessel contains deadly secrets of its own. The Marble Armada calls for recovered war criminal Ona Sudak to accompany its ships as it spreads itself across the Human Generality, enforcing the peace with overwhelming and implacable force. Then Sudak's vessel intercepts messages from the House of Reclamation and decides the Trouble Dog has a capacity for violence which cannot be allowed to endure. As the Trouble Dog and her crew fight to save the crew of the Lucy's Ghost, the ship finds herself caught between chaotic alien monsters on one side, and on the other, destruction at the hands of the Marble Armada.

Love is a powerful force, but it doesn't compare to guilt. And just like most people, my guilt eats me alive. I went from being an irresponsible kid who didn't know any better to an irresponsible man who does. I make no apologies. Don't take my

## Get Free A Head Full Of Knives Supernatural Mystery Kindle Edition Luke Smitherd

carelessness for strength. My blood is as deadly as the bullet that killed my brother, and once I'm cut, there's no stopping the river of rage. My past is dead. I'm not like my MC brothers. Nothing is going to come bite me in the ass. Or so I thought. Because life gave me Mary, the little hellraiser who tries to be reckless. She's only looking to escape the nightmare of what happened to her in Atlantic City. She's a good girl. The kind to wear pearls and fancy cardigans. She doesn't belong in this life. Even if I know she belongs with me. She paints her lips in red lipstick, but I know it's an effort to hide the pain. There's more than the fact we are too different to be together. Her past isn't dead. And mine has come back to life.
