Eugene R. Dunn Coverage gap Bayside: Thank you to Voicer Barbara Turkewitz for your letter concerning the lack of transparency about the city ’ s plans for us retirees ’ health care.

Above a horrified New York City, genetics and ethics collide as the fallen emperor and a banished exile of the same herculean race ignite into battle over the city's rooftops. In the streets below, a brilliant young scientist has discovered a technology that can defeat them both, yet might be more terrible than either. Set both in modern New York City and in the technologically sophisticated yet politically savage world of Anthem, Anthem's Fall unfurls into a plot where larger than life characters born with the prowess of gods are pitted against the shrewd brilliance of a familiar and unlikely heroine.

In March of 1926, Daisy Dalrymple Fletcher and her friend and collaborator Lucy (a.k.a. Lady Gerald) head off for several days at stately home reputed to have the best grotto in the country. Working on a book of follies (architectural), they plan to research and photograph it. Leaving her husband and young twins behind, Daisy is expecting a productive weekend at Appsworth Hall, with the only potential difficulty being keeping Lucy from offending the current owner, a manufacturer of plumbing products. Alas, it's not to be quite so simple. At the home, they find themselves faced with a curious assortment of people including the abominable, tactless Lord Rydal, who is rumored to be having an affair with one of the guests while at the same time in ardent and artless pursuit of the hand in marriage of another. When the grotto explodes with Lord Rydal in it, it's not a question of who would do it—as most who've met him would be sorely tempted—but who actually did do it.

Detective Sixto Santiago goes after a criminal visionary and his network of drug dealers in the gritty New York City of 2013 during the Second Great Depression amidst race riots, massive unemployment, worthless currency and a broken government.

Visiting the 1920s English countryside, Daisy and her husband, Detective Chief Inspector Alec Fletcher, are challenged to defend the innocence of an old friend when a long-dead body is found in her locked wine cellar. By the author ofHeirs of the Body.

Legendary singer, songwriter, actress, and activist Cyndi Lauper offers a personal account of the journey that led her to become an international superstar in this “ moving story of an American musical original ” (Kirkus Reviews). Icon Cyndi Lauper offers a poignant account of the journey that led her to become an international superstar—from her years growing up in Queens, New York, to the making of enduring hits like “ Time After Time, ” “ Girls Just Want to Have Fun, ” and “ True Colors, ” to becoming an actress, a mother, an outspoken activist, and maintaining a music career that has lasted more than thirty years. After leaving her childhood home at seventeen, Cyndi took on a series of jobs: racetrack hot walker, IHOP waitress, and, as she puts it, “ gal Friday the thirteenth, ” as she pursued her passion for music. She worked her way up playing small gigs and broke out in 1983 with She ’ s So Unusual, which earned her a Grammy for Best New Artist and made her the first female artist in history to have four top-five singles on a debut album. And while global fame wasn ’ t always what she expected, she has remained focused on what matters most. Cyndi is a gutsy real-life heroine who has never been afraid to speak her mind and stick up for a cause—whether it ’ s women ’ s rights, gay rights, or fighting against HIV / AIDS. With her trademark warmth and humor, Cyndi fearlessly writes of a life she ’ s lived only on her own terms, perfect for fans of Patti Smith ’ s Just Kids and Billy Idol ’ s Dancing with Myself.

Reproduction of the original: Gadsby by Ernest Vincent Wright

When her cousin Edgar asks to interview possible heirs to the viscounty, Daisy Dalrymple Fletcher, with the help of the family lawyer, gathers together four claimants to the title, but when one claimant is murdered, Daisy must uncover a conspiracy before someone else meets the same fate. 25,000 first printing.
