Back to You is a very sweet story, perfect if you are looking for a quick afternoon dose of romance. Pros: It was an easy read and it flowed well. Likeable characters. The concept was great, but it did need a bit more development. Cons: There were a lot of unnecessary details about the characters lives which played no part in the rest of the story.

Welcome to Crestpoint Beach, where warm sands and sea breezes bring sweet second chances, renewed family ties, and the comfort of coming home. Heartbroken and lost. That's how Annie Collins left small-town Crestpoint Beach when she was eighteen and an aspiring interior designer. And that's how she returns years later, starting over as a widow at thirty-five. Coming home to help care for her aging father while she sorts out her life, Annie moves into her grandparents' old beach house. The big, beautiful home needs a little TLC, but Annie has the support of her free-spirited younger sister, Hannah, who dreams of turning the beach house into a B&B together. If only repairing Annie's wounded heart were that easy. Complicating things even more, her high school heartbreak, Noah Davis, still lives in Crestpoint Beach. Now the town's favorite science teacher, recently divorced single dad Noah is the same handsome, charming man he was back then. Soon, that charm draws Annie back into his life with his teenage daughter, Lainey. Noah walked away from Annie once; will he stand by her this time, even when his ex-wife would like nothing better than to split them apart? **BACK TO YOU** is a clean contemporary romance, and Book 1 of the Turning Tides B&B series.

A big, panoramic story of the new America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami's Biscayne Bay-with officer Nestor Camacho on board-Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night-until lately, the love of Nestor's life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-sputing, black-gang-banger-stylin' little brother; a billionaire porn addict, crack dealers in the 'hoods, "de-skilled" conceptual artists at the Miami Art Basel Fair, "spectators" at the annual Biscayne Bay regatta looking only for that night's orgy, yenta-heavy ex-New Yorkers at an "Active Adult" condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe's previous bestselling novels, **BACK TO BLOOD** is another brilliant, spot-on, scrupulous, and often hilarious reckoning with our times.

How do you live in a world in which everything is an illusion? How do you move on, when the flashbacks of your past won't stop hunting you? Now it's time for her to write her own story, moving across the country to start college with her best friend. New city, new friends and a mysterious dark-haired boy who turns her world upside down. Kat's more of an introvert, she's never really been in love and rather reads books than goes to parties. She a realist, believing that earth-shattering love exists only in fiction - until she meets Noah. The tall handsome boy, with the darkest eyes and brightest smile she's ever seen. He has demons of his own, but together they can get through it all. Obviously. For a while, she's been suspecting that something is wrong with her brother Kyle and her parents. After finding out her life wasn't as perfect as she believed, everything changes. Her brother, her parents, even her best friend had been lying to her. Sometimes forever isn't as long as we'd hoped and when it ends, it comes crashing down, destroying everything in its path. And it hurts like hell. . . .
