Case Study Answers

CIMA's case study exams require the ability to identify

the issues in a business problem and to develop a

response that meets the requirements that have been

set in a credible manner. This returns to the theme of

employability because a finance professional would

be expected to respond to a superior's request in a

manner that was sufficiently detailed to provide an

adequate explanation of what was required.

The case study examination is a simulated business role play. Therefore, understanding your persona and role in the case study exam can really help you produce a good answer at the right level for your audience. The simulation is made up of three broad parts: The role of finance ; The role simulated ; The job tasks simulated; Further detail can be found in the CIMA exam blueprint.

## ~~CIMA – Case Study Exams~~

CIMA's case study exams test candidates' ability to apply syllabus material to practical situations that are potentially new and challenging. Candidates should expect to be provided with the opportunity to demonstrate that they are adaptable and can offer realistic and sensible arguments that meet the brief set by colleagues/superiors.

## ~~Case study support 2 – planning a good answer | CIMA Study ...~~

When faced with a CIMA case study exam you might be tempted to dive straight in and start writing your answer as soon as you've read the question. However, this approach will lead to a poor answer with no balance, no depth and a tendency to wander off track. I always make sure I spend the first 10 minutes of any CIMA case study question;
