This 12-week study walks readers through two Pauline letters that highlight the beauty of the gospel of Jesus Christ and how it informs Christians' relationships with one another. Part of the Knowing the Bible series.

Read Book Colossians And Philemon

Colossians presents a picture of Christ who is 'the firstborn over all creation' and has disarmed and triumphed over the powers and authorities. The letter also appeals to its readers to seek humble maturity, a maturity not possible apart from the person and work of Jesus Christ. N. T Wright's stated goal is to "give the text back to the reader uncluttered by a mass of glosses." In Philemon, Paul makes a personal appeal to a fellow believer to receive a runaway slave, Onesimus, in love and forgiveness. For Wright, it is "an acted parable of the gospel itself." The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament Commentaries have long been a

Read Book Colossians And Philemon

trusted resource for Bible study. Written by some of the world's most distinguished evangelical scholars, these twenty volumes offer clear, reliable, and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date, and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

Read Book Colossians And Philemon

Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly. In this notable commentary, however, Marianne Meye Thompson shows how these two epistles provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith. In Colossians she finds an overarching narrative of the Bible's grand creation-redemption story and an important emphasis on the relationship between creation and Christology, while her exploration of Philemon casts brighter light on the significance of Paul's familial metaphors for the church and the meaning of new humanity in Christ. Throughout her work on these two epistles, Thompson

Read Book Colossians And Philemon

continually connects her insights to theological concerns, making this volume an excellent addition to the Two Horizons series.

Two crises in Colosse sent visitors to the Apostle Paul. First, an old friend brings news that false teachers are laying down rules and boasting of secret knowledge beyond the gospel. Then, a runaway slave begs Paul to ask his Christian master for mercy. The letters Paul writes to handle these dilemmas remain foundational for understanding Christ and His work in us. This Bible study on the books of Colossians and Philemon examine how Paul exalted Christ and affirmed a truly Christian lifestyle

We all long for more—more wisdom, more maturity, more power, more faith. To satisfy our longings we attend seminars, go to concerts, read popular books and more. Yet often we come away empty. As you dig into their depths of wisdom in this ten-session LifeGuide® Bible Study, you'll discover how to find lasting fulfillment in Christ.

Fullness and freedom--two aspects of Christian life that we all want to share. Paul wrote about them at length (and depth) in his letter to the Christians at Colossae, where certain new teachers were proclaiming that "mere Christianity" is not enough. There is, they suggested, a fuller experience, a greater liberation, than they had so far enjoyed. But Paul was

Read Book Colossians And Philemon

adamant: all God's fullness is in Christ alone, and only through his complete work are we set free. These are the great objective truths of the faith that Dick Lucas highlights in his exposition, enabling us to see both the riches that are ours in Christ and the irrelevance--even blasphemy--of all would-be improvements on what God has done.

One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

Most Bible commentaries take us on a one-way trip from the

Read Book Colossians And Philemon

twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into a modern context. It explains not only what the Bible meant but also how it can speak powerfully today.

Using the same brilliant exegesis and sound practical insight found in his previous work, Douglas J. Moo here not only accurately explains the meaning of the Letters to the

Read Book Colossians And Philemon

Colossians and to Philemon, but also applies that meaning to twenty-first-century readers. Moo introduces each book with a series of five similar questions: To whom was it written? Who wrote it? When? Why? and What? He then divides the commentary itself into Letter Opening, Letter Body, and Letter Closing for each book, addressing the introductory thanksgiving of Philemon as well. The volume ends with thorough indexes of names, subjects, scripture references, and extrabiblical literature. Informed, methodologically astute, evangelical, and displaying a careful balance between good scholarship and pastoral concern, *The Letters to the Colossians and to Philemon* is readily accessible, offering something for everyone -- teacher or student, pastor or parishioner, scholar or layperson.
