Her deadly dreams leave her in grave danger Since half-vampire Cat Crawfield and her undead lover Bones met six years ago, they've fought against the rogue undead, battled a vengeful Master vampire, and pledged their devotion with a blood bond. Now it's time for a vacation. But their hopes for a perfect Paris holiday are dashed when Cat awakes one night in terror. She's having visions of a vampire named Gregor who's more powerful than Bones and has ties to her past that even Cat herself didn't know about. Gregor believes Cat is his and he won't stop until he has her. As the battle begins between the vamp who haunts her nightmares and the one who holds her heart, only Cat can break Gregor's hold over her. She'll need all the power she can summon in order to bring down the baddest bloodsucker she's ever faced . . . even if getting that power will result in an early grave.

You can run from the grave, but you can't hide . . . Half-vampire Cat Crawfield is now Special Agent Cat Crawfield, working for the government to rid the world of the rogue undead. She's still using everything Bones, her sexy and dangerous ex, taught her, but when Cat is targeted for assassination, the only man who can help her is the vampire she left behind. Being around him awakens all her emotions, from the adrenaline kick of slaying vamps side by side to the reckless passion that consumed them. But a price on her head—wanted: dead or half-alive—means her survival depends on teaming up with Bones. And no matter how hard she tries to keep things professional between them, she'll find that desire lasts forever . . . and that Bones won't let her get away again.

Some things won't stay buried . . . at grave's end It should be the best time of half-vampire Cat Crawfield's life. With her undead lover Bones at her side, she's successfully protected mortals from the rogue undead. But though Cat's worn disguise after disguise to keep her true identity a secret from the brazen bloodsuckers, her cover's finally been blown, placing her in terrible danger. As if that wasn't enough, a woman from Bones's past is determined to bury him once and for all. Caught in the crosshairs of a vengeful vamp, yet determined to help Bones stop a lethal magic from being unleashed, Cat's about to learn the true meaning of bad blood. And the tricks she's learned as a special agent won't help her. She will need to fully embrace her vampire instincts in order to save herself—and Bones—from a fate worse than the grave.

"Cat and Bones are combustible together." —Charlaine Harris, author of the Sookie Stackhouse novels Cat and Bones are back! New York Times and USA Today bestselling author Jeaniene Frost returns to her remarkable Night Huntress paranormal series, pulling out all the stops on This Side of the Grave. The incomparable team of half-vampire Cat Crawfield and her all-vamp husband Bones face their most terrifying challenge yet as they race to prevent a "species war" that could devastate humans and immortals alike—and are forced to seek help from their sworn enemy, the Ghoul Queen of New Orleans. Gripping, intriguing, and hot as Hades, This Side of the Grave is where Kim Harrison, Lynsay Sands, and Christine Feehan fans definitely want to be!

How do you send a killer to the grave when he's already dead? Having narrowly averted an (under)World War, Cat Crawfield wants nothing more than a little downtime with her vampire husband, Bones. Unfortunately, her gift from New Orleans's voodoo queen just keeps on giving—leading to a personal favor that sends them into battle once again, this time against a villainous spirit. Centuries ago, Heinrich Kramer was a witch hunter. Now, every All Hallows Eve, he takes physical form to torture innocent women before burning them alive. This year, however, a determined Cat and Bones must risk all to send him back to the other side of eternity—forever. But one wrong step and they'll be digging their own graves.
