Fangs for the Memories is much more low-key than the others in the series. Only one little action scene and no real big conflict made it nice and sweet and easy. I liked Raymond and Tajan.

Fangs for the Memories Look out for Sienna Mercer 's other great series, ' My Brother the Werewolf ' . Sienna Mercer grew up in Toronto, Canada. She was an only child, and always wanted a brother or sister – especially a twin.

Oh, Brother! I'm watching my brother swagger through our New York City apartment. . .smiling. Rhys, the detached, surly man who turned brooding into an art form. But he's not brooding now. No, he's practically threatening to pistol whip me for shaking hands with the beautiful, half-dressed creature named Jane who just tried to sneak out of his bedroom. Weird. Brother Grim has a sex drive? That's not all that has me freaked out. Something terrible happened last night, something that made Rhys break his own rule and save the life of a mortal. Trouble is he doesn't remember anything from the past two hundred years. Like that he's a vampire, not a Regency viscount with an English accent. All I know is this mortal woman has managed to touch my brother's frozen heart, and I, Sebastian Young, will do whatever it takes to help him keep her. . .

“ Molly Harper writes characters you can ' t help but fall in love with ” (RT Book Reviews), but how did Andrea and Dick Cheney fall in love? Join Half-Moon Hollow ' s favorite couple for a trip down memory lane—to a time when Mr. Wainwright was newly dead, Jane Jameson was a newbie vampire, and a budding paranormal romance was not yet uncorked... Half-Moon Hollow ' s supernatural social event of the season—Zeb ' s Titanic-themed werewolf wedding—is coming up, and Dick Cheney (not that Dick Cheney!) needs a date. But Andrea ' s had enough of clever, handsome, and rakish to last a lifetime, and Dick Cheney is certainly not the sort of man you bring home to mom (not that Andrea ' s deadist parents are speaking to her ever since she dropped out of college and became a blood surrogate.) Shameless, relentless, roguish, with a Stetson-worthy swagger, a naughty sparkle in his eyes, and a constant smirk—oh, and fangs—no, Dick is the last person (er...vampire) Andrea wants to date. But the infuriatingly irresistible man who lives quietly on the edge of a criminal underworld knows exactly what he wants, and once he surprises Andrea with a thrilling hot and dirty kiss behind the paranormal bookshop, she knows what she wants too: Dick. All it takes to ignite their unconventional courtship is a near-undead experience that confronts Dick with a choice between turning Andrea, losing her forever, or tapping into his countless shady resources in this hilarious and heartwarming novella that revisits the early days of Molly Harper ' s Nice Girls series—one that “ makes me laugh and laugh ” (USA TODAY).

Sienna Mercer grew up in Toronto, Canada. She was an only child, and always wanted a brother or sister - especially a twin. A twin would have been awesome! Sadly, she never got that sister so, when she was grown up, she did the next best thing - she wrote stories for girls about a girl who reminded her of herself, and gave her the most fun, fabulous twin she could imagine . . . a vampire twin.

There's Nothing Uglier Than A Vampire Singing "Feelings" If I hadn't seen it for myself, I'd swear it couldn't be true: my brother, Christian, living in a trailer park and working at a karaoke bar. We're talking about the snob who'd probably sniff the plasma packets and send 'em back in a huff if the blood type wasn't the right vintage. But after centuries of living in the undead fastlane, he's made up his mind that this is exactly where he needs to spend the rest of eternity, atoning for his many, many, sins. But sometimes things just don't work out like you think they will. Sometimes your hell can turn into your heaven. And thanks to Christian's chatty neighbor and boss, Jolee, things seem to be getting a whole lot nicer in Shady Fork Mobile Estates. Not that either of them has the first idea how to have a normal relationship--we are talking about a woman's who's only dated dead-beats, and a guy who's only dated the dead. Well, nobody's perfect.

Vampire singer Maria von Trapp, after being kicked out of the Abbey where she has resided for centuries, becomes a member of a rowdy family that she transforms and protects from Hitler's nefarious Undeath Squads.

The first in the Half-Moon Hollow series is “ wry, delicious fun ” (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children ’ s librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that ’ s sure to become Half Moon Hollow legend. On her way home, she ’ s mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undeath Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She ’ s forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn ’ t enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What ’ s a nice undeath girl to do?

When a vampire torments the people of their town, Sean and his sister Melissa use their detective skills and depend on the help of God to deal with the problem.

Roger Maxim's Latest Full-Length Novel! Come aboard a racing American destroyer as it speeds to support a defenseless freighter just recently torpedoed. Join in the life-or-death stalking of a lurking enemy submarine. Dodge the bombs dropping from enemy aircraft during Liverpool's "May Blitz"--it's all here and more! Join the US Navy Destroyer USS Woodside to experience the turbulent times before the United States actually entered World War Two. Dodging torpedoes, dropping depth charges, and hurling a curtain of anti-aircraft gunfire seem unexpected for a warship of a "neutral" nation. It was a time of dilemmas, contradictions, difficult decisions, and danger on the high seas. The story is fiction but the history is real! Don't shoot--I'm Neutral! is the first of the Long Gray Target series of World War Two novels.

Way, way, back in the day, a young man leaving school and thrust into the real world without so much as a boat, never mind a paddle, found himself wallowing in the sepia world of a nineteen sixties dental laboratory that refused to drag itself out of the Between The Wars Years. This is his story - my story. Not, as you may think, so much about a dental laboratory as the goings-on of the Management and Staff and the not-always-pc stuff we got up to. Music and motorcycles played a large part in my life, as did drinking too much and staying up late as well as all the other ephemera associated with the late teenage and beyond years of one who was more interested in The Beatles and The Rolling Stones and dental nurses than molars and the tools and materials of the trade - apart from the inflammable qualities of some of the chemicals we used. Hope you enjoy. And if you do, there is Volume Two just a few days away
