Revised edition of: Health promotion in nursing practice / Nola J. Pender, Carolyn L. Murdaugh, Mary Ann Parsons. Seventh edition. [2015].

Delivering Health Care in America, Sixth Edition is the most current and comprehensive overview of the basic structures and operations of the U.S. health system—from its historical origins and resources, to its individual services, cost, and quality. Using a unique “ systems ” approach, the text brings together an extraordinary breadth of information into a highly accessible, easy-to-read resource that clarifies the complexities of health care organization and finance while presenting a solid overview of how the various components fit together. While the book maintains its basic structure and layout, the

## Where To Download Focus On Health 8th Edition

Sixth Edition is nonetheless the most substantive revision ever of this unique text. Because of its far-reaching scope, different aspects of the Affordable Care Act (ACA) are woven throughout all 14 chapters. The reader will find a gradual unfolding of this complex and cumbersome law so it can be slowly digested. Additionally, as U.S. health care can no longer remain isolated from globalization, the authors have added new global perspectives, which the readers will encounter in several chapters. Key Features: - Comprehensive coverage of the ACA and its impact on each aspect of the U.S. health care system woven throughout the book - New “ ACA Takeaway ” section in each chapter as well as a new Topical Reference Guide to the ACA at the front of the book - Updated tables and figures, current research findings, data from the 2010 census, updates on Healthy People 2020, and more - Detailed coverage of the U.S. health care system in

Praise for the Seventh Edition: "There are many books on the U.S. healthcare system, but few have the longevity of this one. It is easy to read and straightforward in its approach to difficult subjects such as the rise of the Tea Party and how that movement has impacted healthcare. This update is certainly needed as the landscape has changed dramatically since the previous edition was published ." --Doody's

**Medical Reviews** The eighth edition of this best-selling text, valued for its concise and balanced introduction to the U.S. health care system, is entirely updated to reflect alterations to health care services, delivery, and financing resulting from the Affordable Care Act. The text describes how our health care system currently functions, the key forces that led to its structure, and the influences likely to shape the industry during the next five to ten years. With an emphasis on policy development, the authors underscore the fluidity of the system and examine the debates and conflicts that have structured health care changes and influenced American values and belief systems. Other new areas of focus include an assessment of who uses health care and in what way, health care trends, and a forecast for the health care system of the future. The text elucidates the basic building blocks of the health care system including its structures, organization, financing, and

## Where To Download Focus On Health 8th Edition

performance assessment. It describes the ongoing evolution of the system since the passage of the ACA, uneven acceptance of the Medicaid expansion by states, and the development of ACOs.

Organized to facilitate understanding of concepts at work, the text provides health care students with a clear roadmap of the field in which they will practice, and how they can position themselves to navigate the upcoming changes. Provides a full suite of ancillary materials for the educator including Instructor Manual, Power Points, and test bank.

New to the eighth edition: Entirely updated to address changes wrought by the ACA in health care services, delivery, and financing  
Describes influences that will shape the industry in years to come  
Emphasizes policy development  
Assesses current consumers of health care and how they use it  
Examines the debates and conflicts that have structured health care change  
Monitors health care trends  
Discusses

## Where To Download Focus On Health 8th Edition

the continuing evolution of our system since the ACA Explores the development of ACOs Reinforces information with illustrative tables and figures Key Features: Remains the most concise and balanced introduction to the U.S. health care system Ideal for use in undergraduate courses, in graduate survey courses, and in courses introducing the subject to medical students Includes review questions concluding each chapter Provides a full suite of ancillary materials for the educator including Instructor Manual, Power Points, and test bank

Health Care Law and Ethics, Ninth Edition offers a relationship-oriented approach to health law—covering the essentials, as well as topical and controversial subjects. The book provides thoughtful and teachable coverage of every aspect of health care law. Current and classic cases build logically from the fundamentals of the

## Where To Download Focus On Health 8th Edition

patient/provider relationship to the role of government and institutions in health care. The book is adaptable to both survey courses and courses covering portions of the field. Key Features: New authors Nick Bagley and Glenn Cohen Incorporated anticipated changes to the Affordable Care Act More current cases and more streamlined notes, including ones on medical malpractice, bioethics, and on finance and regulation More coverage of “ conscientious objection ” and “ big data ” - Discussion of new “ value based ” methods of physician payment - Expanded coverage of “ fraud and abuse ” Current issues in public health (e.g., Ebola, Zika) and controversies in reproductive choice (e.g., Hobby Lobby) Coverage of cutting-edge genetic technologies (e.g., gene editing and mitochondrial replacement)
