This market-leading book offers a unique balance of clear concepts, contemporary theory, and practical applications ...

Intended as an introductory course, this text contains updated institutional material which is international in scope and deals with the effects of electronic commerce. It provides tips, questions and answers and special features.

With the same contemporary approach and dynamic examples that made previous editions so popular, this fully revised thirteenth edition of FUNDAMENTALS OF FINANCIAL MANAGEMENT continues to provide students with a focused understanding of today's corporate finance and financial management. This market-leading text offers a unique balance of clear concepts, contemporary theory, and practical applications in order to help students understand the concepts and reasons behind corporate budgeting, financing, working capital decision making, forecasting, valuation, and Time Value of Money (TVM). The thirteenth edition has been updated to include discussions of several major events such as the BP oil spill, the European debt crisis, and the ongoing weakness in the economy and financial markets. Numerous practical examples, Quick Questions, proven end-of-chapter applications, Integrated Cases, and real-world examples demonstrate theory in action. A comprehensive support package – prepared by the text authors – connects closely with the book to reduce preparation time and reinforce students understanding. You can also engage your students with a variety of tools including Thomson One Business School Edition, the same financial online database professionals use every day; updated Excel spreadsheets models; today's leading online homework solution, Aplia for Finance; and CengageNOW course management system. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Known for its real-world examples and effective problem sets, this undergraduate corporate finance course is now in its 9th edition and includes a student resource CD-ROM, with Excel tutorials and additional practice problems. The tenth edition features InfoTrac college edition access.

Solutions manual for sale to students provides full solutions for odd-numbered end-of-chapter assignment items, including questions, exercises, problems, and cases. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Earn the grade you want in your course with the help of this invaluable tool.
