As head of state, the president represents the United States government to its own people, and represents the nation to the rest of the world. For example, during a state visit by a foreign head of state, the president typically hosts a State Arrival Ceremony held on the South Lawn, a custom was begun by John F. Kennedy in 1961.

It ' s September 2017, and the United Kingdom is on the verge of a crucial referendum that will determine, once and for all, if the country remains a member of the European Union or goes its own way. But, unsuspected by the electorate, and unknown to all but a handful of members of the Prime Minister ' s innermost circle, there is a shocking secret at the very heart of government that could change everything in an instant. A group of ruthlessly determined individuals will stop at nothing—including murder—to prevent that from happening. Â Andrew Marr ' s first novel is a darkly comic tale of deception and skullduggery at Downing Street and Whitehall. Making full use of his unrivalled inside knowledge of the British political scene, Marr has created a sparkling entertainment, a wholly original depiction of Westminster and its denizens, and a fascinating, irreverent glimpse behind the parliamentary curtain.

TigerBeat for U.S. presidents—a tour of our nation ' s history through its irresistible commanders-in-chief Is there anything hotter than former U.S. presidents? Obviously, there is not. And yet, until now, there was no way to learn about these handsome and mysterious men that is funny, educational, and includes thoughtful analysis of which ones would make good boyfriends. Thankfully, Hottest Heads of State fills this void. Get to know each president intimately with an individual profile outlining his particular charms (or, in some cases, " charms "). Plus, inside you ' ll find:
· GAMES including " Match the Mistress to her POTUS "
· QUIZZES like " Which President has a Secret Crush on You? " and " Can You Cover Up Watergate? "
· that POSTER of Rutherford B. Hayes you ' ve always secretly wanted! J. D. and Kate Dobson ' s wickedly smart and refreshingly bipartisan debut is a spot-on parody of a teen magazine featuring such unlikely heartthrobs as Richard Nixon and William H. Taft. In the end, you ' ll learn centuries ' worth of cocktail party-worthy trivia, and you ' ll be slightly more prepared to take the AP U.S. History exam. You ' ll also start tingling whenever you hear the name Herbert Hoover.

AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—State of Terror. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone ' s surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Elen Adams, his new secretary of state. But it ' s a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

A rogue Black Ops unit with the president in their crosshairs. A Secret Service agent who will break every rule. A president falling for the one person he shouldn't-a man. Newly elected President Jack Spiers's presidency is rocked from the very beginning, and he's working furiously to keep the world from falling apart. Between terrorism attacks ripping apart Europe, Russia's constant posturing and aggression, and the quagmire of the Middle East, Jack is struggling to keep his campaign promise-to work toward a better, safer world. For Special Agent Ethan Reichenbach, Jack is just another president, the third in twelve years. With Jack's election, he's been promoted, and now he's running the presidential detail, which puts him side by side with Jack daily. He's expecting another stuffed suit and an arrogant DC politician, but Jack shocks him with his humor and humanity. There are rules against a Secret Service agent and one of their proteeges developing a friendship-big rules. Besides, Jack is straight as a ruler, and a widower, and Ethan has always avoided falling for straight men. Ethan keeps his distance, but Jack draws him in, like gas to a naked flame, and it's a lure he isn't strong enough to turn away from. As the two men collide, rules are shattered and the world teeters on the verge of war, and a rogue Black Ops unit bent on destruction sets Jack in their deadly crosshairs. Ethan must put everything on the line in order to save the man he's come to love, Jack's presidency, and the world.

Don't miss the #1 New York Times bestselling thriller from the world's bestselling author. James Patterson: an "undeniably gripping ride through the hidden passageways of power and politics" that "moves like Air Force One" (Michael Connelly), The President Is Missing confronts a threat so huge that it jeopardizes not just Pennsylvania Avenue and Wall Street, but all of America. Uncertainty and fear grip the nation. There are whispers of cyberterror and espionage and a traitor in the Cabinet. Even the President himself becomes a suspect, and then he disappears from public view . . . Set over the course of three days, The President Is Missing sheds a stunning light upon the inner workings and vulnerabilities of our nation. Filled with information that only a former commander in chief could know, this is the most authentic, terrifying novel to come along in many years. #1 New York Times bestseller#1 USA Today bestseller#1 Wall Street Journal bestseller#1 Indie bestseller "President Duncan for a second term!" -- USA Today"This book's a big one." -- New York Times"Towers above most political thrillers." -- Pittsburgh Post-Gazette"The plotting is immaculate . . . the writing is taut." -- Sunday Times (London)"Ambitious and wildly readable." -- New York Times Book Review

One of the most significant novels in Latin American literature, written by Cuba's most important modern novelist—to win a bet with Gabriel Garcia Marquez. In the early 1970s, friends Gabriel Garc í a M á rquez, Augusto Roa Bastos and Alejo Carpentier reached a joint decision: they would each write a novel about the dictatorships then wreaking misery in Latin America. Garc í a M á rquez went on to write The Autumn of the Patriarch and Roa Bastos, I, the Supreme. The third novel in this remarkable trinity is Reasons of State, hailed as the most significant novel ever to come out of Cuba. As with Garcia Marquez, Reasons of State is a bold story, boldly told— daring in its perceptions, rich in lush detail, inventive in prose, and deadly compelling in its suspenseful plot. Inexplicably out of print for years, it tells the tale of the dictator of an unnamed Latin American country who has been living the life of luxury in high-society Paris. When news reaches him of a coup at home, he rushes back and crushes it with brutal military force. But returning to Paris he is given a chilly welcome, and learns that photographs of the atrocities have been circulating among his well-to-do friends. Meanwhile World War One has broken out, and another rebellion forces the dictator back across the ocean. As he struggles with the Marxist forces beginning to find footing in his own country, and Europe is devastated, Carpentier constructs a masterful and biting satire of the new world order.

O: A Presidential Novels a novel about aspiration and delusion, set during the presidential election of 2012 and written by an anonymous author who has spent years observing politics and the fraught relationship between public image and self-regard. The novel includes revealing and insightful portraits of many prominent figures in the political world - some invented and some real.

" In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best " (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America ' s closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king ' s own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They ' ve barely begun unravelling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America ' s intelligence agencies to join the Saudis ' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to " an explosive climax " (Publishers Weekly), Enemy of the State is an unputdownable thrill ride that will keep you guessing until the final page.

Part of the Blackwell Manifestos series, The State of the Novel offers a lively, yet rigorous investigation into the state and future of the contemporary British novel written by an expert in the field. Evaluates the state of the ' serious literary ' novel and novel criticism Prominent treatment is paid to the ' internationalization ' of the novel in English Offers a manifesto on contemporary fiction from an expert in this field; Dominic Head is best known for his Cambridge Introduction to Modern British Fiction 1950-2000 Establishes the shared interests of contemporary theorists of the novel, cultural commentators, and novel consumers An ideal supplementary text for students and faculty interested in the novel and contemporary fiction
