Presents different techniques for stage and screen actors, including a new approach to acting and advice on auditioning, developing a character, and playing difficult roles.

"The Great Guskin" (John Lahr, The New Yorker) shares the approach he uses to help actors land roles, develop them, and keep them alive Harold Guskin is an "acting doctor" whose clients include Kevin Kline, Glenn Close, James Gandolfini, Bridget Fonda, and dozens more. In How to Stop Acting, Guskin reveals the insights and techniques that have worked wonders for beginners as well as stars. Instead of yet another "method," Guskin offers a strategy based on a radically simple and refreshing idea: that the actor's work is not to "create a character" but rather to be continually, personally responsive to the text, wherever his impulse takes him, from first read-through to final performance. From this credo derives an entirely new perspective on auditioning and the challenge of developing a role and keeping it fresh, even over hundreds of performances. Drawing on examples from his clients' work and his own, Guskin presents acting as a constantly evolving exploration rather than as a progression toward a fixed goal. He also offers sound and original advice on adapting to the particular demands of television and film, playing difficult emotional scenes, tackling the Shakespearean and other great roles, and more. His book will find an eager and appreciative audience among novices and established actors alike.

Presents different techniques for stage and screen actors, including a new approach to acting and advice on auditioning, developing a character, and playing difficult roles.

Provides a guide to auditioning for film and theatrical roles with confidence, including tips on preparing for a role, finding the right monologues and songs to showcase talent, and dealing with creative criticism.

A white South African teenager's relationships with his parents and, more particularly, with two of their Black servants--Willie and Sam--have a painful, tragic outcome

From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like Animal House, Caddyshack, Ghostbusters, National Lampoon's Vacation, and Groundhog Day. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In Ghostbuster's Daughter, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, Ghostbuster's Daughter takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, Ghostbuster's Daughter also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, Ghostbuster's Daughter is an intimate look at one of America's preeminent comedy filmmakers.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

Acting: Make It Your Business, written by an award-winning, veteran casting director, puts the power to land jobs and thrive in any medium - stage, film, TV, or the Internet - directly into the hands of the actor. This blunt, wise, and often hilarious guide overflows with cutting-edge audition, marketing, and networking strategies, combining traditional techniques with those best suited for the digital age. Well-known actors and powerful agents make cameos throughout, offering newcomers and working professionals alike a clear-eyed, uncensored perspective on survival and advancement within the entertainment industry. "Rueous and witty . . . Actors everywhere who are trying to succeed in the business, young or old, on stage or on camera, in New York or anywhere in the world, take note: This is your road map." - Bernard Telsey, casting director (Rent, Sex & The City: The Movie, Wicked) "All the right questions asked and answered . . . and with a generous portion of good humor." - Suzanne Ryan, casting director (Law & Order) "Paul's book made me proud to be a part of the acting community in this business we call 'show.'" - Karen Ziemba, actress, Tony and Drama Desk Award Winner From the Trade Paperback edition.

NEW YORK TIMES BESTSELLER • "Joyce's beguiling debut is [a] modest-seeming story of 'ordinary' English lives that enthalls and moves you as it unfolds."--People (four stars) IN DEVELOPMENT AS A MAJOR MOTION PICTURE • LONGLISTED FOR THE MAN BOOKER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Meet Harold Fry, recently retired. He lives in a small English village with his wife, Maureen, who seems irritated by almost everything he does. Little differentiates one day from the next. Then one morning a letter arrives, addressed to Harold in a shaky scrawl, from a woman he hasn't heard from in twenty years. Queenie Hennessy is in hospice and is writing to say goodbye. But before Harold mails off a quick reply, a chance encounter convinces him that he absolutely must deliver his message to Queenie in person. In his yachting shoes and light coat, Harold Fry embarks on an urgent quest. Determined to walk six hundred miles to the hospice, Harold believes that as long as he walks, Queenie will live. A novel of charm, humor, and profound insight into the thoughts and feelings we all bury deep within our hearts, The Unlikely Pilgrimage of Harold Fry introduces Rachel Joyce as a wise-and utterly irresistible-storyteller.

"The Improvisation Technique is then applied to exercises with scripted lines, developing sophisticated improvisation skills for enhancing character, emotions, conflict, and agreement as well as improving the actor's audition process. Also included is a unique process for breaking down scripted scenes into improvisation choices."--BOOK JACKET.
