"An incredible beginning to a series that will pull at your heart strings! A true joy to read." ~ 5 stars Meet the Maverick Billionaires?sexy, self-made men from the wrong side of town who survived hell together and now have everything they ever wanted. But when each Maverick falls head-over-heels for an incredible woman he never saw coming, he will soon find that true love is the only thing he ever really needed... An exciting and emotional contemporary romance series from New York Times and USA Today bestselling authors Bella Andre and Jennifer Skully! Will Franconi has a dark past that he's kept a closely guarded secret?very few people have ever heard his real story and he plans to keep it that way. After surviving a hellish childhood, he's now living the dream life where everything he touches turns to gold. But something's missing. He doesn't quite know what until a simple letter from a teenage boy brings Harper Newman into his life. A woman who just might fill up the empty places inside him...if only he could ever be worthy of her love. When a man has more money than he could possibly spend in five lifetimes, Harper has to ask herself what Will Franconi could possibly want from a woman like her? She's learned the hard way that rich men always get what they want no matter the cost. If it was just herself she had to worry about, Harper would manage, but she's guardian to her younger brother who depends on her for everything. After nearly losing his life in a car crash, she's vowed never to let anyone hurt him ever again. Still, sometimes Harper can't help but long to change her story from one of an always-cautious woman to an adventurous tale of a heroine who's wild and free...especially when Will's kisses and caresses make her utterly breathless. And as he begins to reveal his story to her, she discovers that he's so much more than just another wealthy, privileged man. He's kind and giving, and he fills up all the spaces inside of her heart that have been empty for so long. Together, can they rewrite their stories into a happily-ever-after that neither of them had previously thought was possible?

A best-selling work of wit from the Booker Prize-winning author, Solar brilliantly traces the arc of a Nobel Prize-winning physicist's ambitions and self-deception. Dr. Michael Beard's best work is behind him. Trading on his reputation, he speaks for enormous fees, lends his name to the letterheads of renowned scientific institutions, and halfheartedly heads a government-backed initiative tackling global warming. Meanwhile, Michael's fifth marriage is floundering due to his incessant womanizing. When his professional and personal worlds collide in a freak accident, an opportunity presents itself for Michael to extricate himself from his marital problems, reinvigorate his career, and save the world from environmental disaster. But can a man who has made a mess of his life clean up the messes of humanity?

The challenge of her career! When cowboy Dan Granger hires etiquette diva Lilia London for a crash course in manners she has no idea what she’s getting into His wang and his rough manners are foreign to the well–bred Lilia. Nevertheless she’s determined to polish him. Her task would be much easier if Dan wasn't so mouthwatering. And when he offers to teach her his own theory of sexual etiquette–Uncivilisation 101–how can she resist? But is a sensual trip into hedonism enough to counteract a lifetime of proper behaviour?

Forced into marriage to the very man who had ruined her reputation, a penniless Alexia Welbourne is unaware that Hayden Rothwell, her new husband, has unexpected and secret motives for his seduction and marriage. By the author of Lady of Sin. Original.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
