A tractor repair manual written for the experienced mechanic by professionals in an easy-to-use format , including numerous photos, illustrations and exploded views.

For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Western rationalism-nature, of course, and genesis-was Max Weber's dominant historical interest. It was the grand theme of his two world historical studies, Economy and Society and The Economic Ethics of the World Religions. His studies of the relationships among economy, polity, law, and religion are lasting scholarly achievements. In this book Wolfgang Schluchter presents the most systematic analysis and elaboration ever attempted of Weber's sociology as a developmental history of the West.

Offers entries on 24 of the significant archetypes of horror and the supernatural, from the classical epics of Homer to the novels of Stephen King.

It's been five years since Alexa set eyes on Giovanni de Verrazzano—five years since she walked out on their pretense of a marriage and took with her a precious secret. Since discovering that he is the son of a powerful desert ruler, Giovanni is determined that Alexa resume her role as his wife and accompany him to his desert kingdom. But how will this proud Italian, of Kharastani descent, react when he discovers he has a son?

Lek and Giannis were married for ten years and lived happily with their children in North-East Thailand. Though Giannis spoke often of his Cretan childhood and heritage, he never showed his family the island of his birth. When Giannis dies, his widow takes her two children to Crete on a journey of discovery which will change their lives.This story first appeared in the collection Mist on the Jungle and Other Stories.
