Gustav Klimt - Wikipedia

Gustav Klimt and his paintings Gustav Klimt was born in Vienna, in 1862, into a lower middle-class family of Moravian origin. His father, Ernst Klimt, worked as an engraver and goldsmith, earning very little, and the artist's childhood was spent in relative poverty. The painter would have to support his family financially throughout his life.

Gustav Klimt: 100 Famous Paintings Analysis & Complete Works

Gustav Klimt was born on July 14, 1862 in the outskirts of Vienna in Baumgarten. He was the second of seven children born to Anna and Ernst Klimt, a metal engraver. In October 1876, Gustav was accepted at the Kunstgewerbeschule (School of Applied Arts). The following year Gustav’s brother, Ernst, joined him at the Kunstgewerbeschule. They both intended to become drawing teachers.

Gustav Klimt lived his life like he painted it - full of intensity, sensuality and passion. In this biographical fantasy by acclaimed director Raúl Ruiz (Time Regained), Klimt (John Malkovich) recalls the decadence of his past in feverish visions from his deathbed.

Gustav Klimt - YouTube

Gustav Klimt’s art thoroughly expresses the apocalyptic atmosphere of Vienna’s upper middle-class society – a society devoted to the cultivation of aesthetic awareness and the cult of pleasure. The ecstatic joy which Klimt and his contemporaries found – or hoped to find – in beauty was constantly overshadowed by death. And death therefore plays an important role in Klimt’s art. Klimt’s fame, however, rests on his reputation as one of the greatest erotic painters and graphic artists of his times. In particular, his drawings, which have been widely admired for their artistic excellence, are dominated by the erotic portrayal of women. Klimt saw the world "in female form". The life and work of the famous Viennese painter Gustav Klimt are explored by his favorite cat.

A well-illustrated collection of Gustav Klimt's work, including text on the artist's life.

An introduction to the work of Gustav Klimt.

Now available again, this visually stunning collection of Gustav Klimt's landscape paintings brings to light a lesser-known aspect of the Viennese painter's oeuvre. While Gustav Klimt is largely revered for his opulent, symbolladen portraits of the Viennese bourgeoisie, these works were just one aspect of his artistic expression. His landscapes represent an important facet of his career and are a valuable contribution to the school of European nature painting. For many years the artist travelled to the Austrian and Italian countryside during the summer, where he took advantage of the extraordinary light and spectacular hues to paint and sketch landscapes. Among the most exquisite of Klimt's landscapes are those in which he experimented with composition and style. Accompanied by scholarly essays, the images reproduced in this book comprise all extant landscapes from this brilliant artist, proving that his mastery extends beyond portraiture and revealing themes that appeared throughout his life's work.

The prince of decadence: Looking at Klimt in a whole new light: a groundbreaking monograph The countless events being held to celebrate the 150th anniversary of his birth make a clear statement to the enduring appreciation for the work of Gustav Klimt. Not that it takes such a special occasion for the press and the public to start talking about Klimt. More than two hundred articles about the artist appeared online in August 2011 alone, in comparison with barely seveny on Rembrandt within the same period. This media publicity set editor Tobias G. Natter thinking about the value of compiling the present book. During his lifetime, Klimt was a controversial star whose works made passions run high; he stood for Modernism but he also embodied tradition. His pictures polarized and divided the art-loving world. Journalists and general public alike were split over the question: For or against Klimt? The present publication therefore places particular emphasis upon the voices of Klimt's contemporaries via a series of essays examining reactions to his work throughout his career. Subjects range from Klimt's portrayal of women to his adoption of landscape painting in the second half of his life. The cliché that Gustav Klimt was a man of few words who rarely put pen to paper is vehemently dispelled: no less than 179 letters, cards, writings and other documents are included in this monograph. This wealth of archival material, assembled here for the first time on such a scale, represents a major contribution to Klimt scholarship. Defining features of this edition: Catalog of Klimt's complete paintings All known letter correspondence Featuring new photographs of the Stoclet Frieze commissioned exclusively for this book Contributing authors: Evelyn Benesch, Marian Bisanz-Prakken, Rainald Franz, Anette Freytag, Christoph Grunenberg, Hansjörg Krug, Susanna Partsch, Angelina Pötschner and Michaela Reichel

Shares the dramatic and fantastical events that shaped the creation of the Austrian Symbolist painter's most famous portrait, covering such topics as the story of the beautiful Viennese Jewish salon hostess who was his model, contributing factors in turn-of-the-century Vienna and the painting's bizarre fate.

Thanks to this ebook, the whole family will learn more about: • Vienna in 1900 • The Art Nouveau • Klimt's life • His masterpieces

Gustav Klimt's exotic, sensuous paintings recall the art of ancient civilizations – their patterns and ornamentation reminiscent of Byzantine mosaics and Egyptian murals. But from what context did these masterworks spring? This beautifully illustrated book is a guide to the life and work of Gustav Klimt. Klimt is one of the most influential artists of the Art Nouveau movement, first achieving fame as a decorative painter before turning to portraiture and erotic art. The decorative style persisted in his work, leading to abstract compositions with flattened, glowing surfaces embellished with gold and silver leaf. This technique is perhaps best identified in Klimt's two portraits of Adele Bloch Bauer The book serves as a perfect introduction to Klimt's work, showcasing a selection of his paintings as well as providing fascinating biographical detail. ABOUT THE SERIES: The Great Artists series by Arcturus Publishing introduces some of the most significant artists of the past 150 years, looking at their lives, techniques and inspirations, as well as presenting a selection of their best work.

This beautifully illustrated book introduces readers to the world of Gustav Klimt, a gifted and controversial artist determined to live life to the full during Vienna's golden era, the early decades of the 20th century. A world of great art, literature, and music, of heady successes and bitter failures, of lasting friendships and passionate affairs. Sumptuous, elegant, and often intensely erotic, his images of this world scandalized his contemporaries. Today they are among the most famous – and most valuable – images of modern art. Book jacket.
