Manual Suzuki 6

answers to these and other important questions. It is the ultimate companion for opera lovers, professionals, scholars, and teachers, featuring comprehensive information about, and plot summaries for, more than 550 operas—including every opera that is likely to be performed today, from

Where To Download

standard to rediscovered
contemporary works.

The book is invaluable,
especially for opera
professionals, who will
find everything they
need for choosing and
staging operas. But it is
also a treasure for
listeners. Similar
reference books
commonly skip over
scenes and supporting
characters in their plot

Where To Download

summaries, lacking even the most basic facts about staging, orchestral, and vocal requirements. The Opera Manual, based on the actual scores of the works discussed, is the only exhaustive, up-to-date opera companion—a “recipe book” that will enable its readers to explore those operas they know and discover
