Benaiah was known for going into a pit on a snowy day and killing a lion and for killing a powerful Egyptian man with the man's own spear (2 Samuel 23:20–21). He also served as leader of David's bodyguards (23:23). Within this list of mighty men are three men who served as a special elite group: Josheb-basshebeth, Eleazar, and Shammah.

Mighty Men of Valor have three distinct characteristics; strength, courage, and passion. In this Bible study we unpack the first characteristic, strength. Men need strength that comes from God alone, the kind of strength He gave men like Gideon (who lived at a time when everyone did what was right in their own eyes), David and his band of mighty men, and Jesus' early church followers. The world, the flesh, and the devil wage constant battle against us and seek to usurp God's rule over His creation. To fight these enemies, God calls and empowers men to be Mighty Men of Valor. Gideon is one such example. "The Lord is with you, you mighty man of valor!" (Judges 6:12, NKJV). As the angel of the Lord greeted Gideon in Old Testament times, He invites you to become one of God's choice warriors. He will use the 10 lessons in this compact Bible study to help point the way. You'll be guided on this journey by men from Scripture as well as church history and the present day who will serve as mentors of godly strength. You'll also journey deep into the "living and active" word of God (Hebrews 4:12), which He will use to shape you in this process. God is calling us to develop our "spiritual muscles" of love, winning others to the kingdom of God, and building them up in Christ. That's what Mighty Men of Valor: Book 1 - Strength is all about. As with the additional Bible studies in this series-Mighty Men of Valor: Book 2 - Courage and Mighty Men of Valor: Book 3 - Passion-this study can be used in three essential ways. Use these studies as a daily devotional. We strongly encourage every man to take time out for a daily meeting-or appointment-with God. Work through these studies with another man. Think of this as walking "Side-by-Side," meeting weekly for mutual growth, support, and accountability. Connect with other men in a triad or small-group setting. Think of Jesus, who invested in a small group of 12 men, guiding them on the spiritual journey. Make A Mark Ministries is a ministry of Sure Passage

Mighty Men of Valor have three distinct characteristics; strength, courage, and passion. In this Bible study we unpack the second characteristic, what it means to have courage in Christ. Men need courage to take a stand for God's Word and ways in increasingly challenging times, and as someone has said, "All it takes for evil to flourish is good men to stand by and do nothing"! We need courage to love our wives, teach our children, live honestly and uprightly no matter what, spread the Gospel, overcome fear, and to do all we do with all our heart. God's call to Joshua is a call to us in our day: "Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go" (Joshua 1:9). With this charge, He sent the head of the nation of Israel to conquer the Promised Land. He is calling you to become a courageous warrior today. He will use the 10 lessons in this compact Bible study to help point the way. You'll be guided on this journey by men from Scripture as well as church history and the present day who will serve as mentors of godly courage. You'll also journey deep into the "living and active" word of God (Hebrews 4:12), which He will use to shape you in this process. The world is not as God created it. Evil exists. Persecution happens. God has given men responsibilities, and often we fear failure. Mighty Men of Valor need great courage. That's what Mighty Men of Valor: Book 2 - Courage is all about. As with the additional Bible studies in this series-Mighty Men of Valor: Book 1 - Strength and Mighty Men of Valor: Book 3 - Passion-this study can be used in three essential ways. Being a Man is a formative work which reveals the myriad and complex negotiations for constructions of masculine identities in the greater ancient Near East and beyond. Through a juxtaposition of studies into Neo-Assyrian artistic representations and omens, biblical hymns and narrative, Hittite, Akkadian, and Indian epic, as well as detailed linguistic studies on gender and sex in the Sumerian and Hebrew languages, the book challenges traditional understandings and assumed homogeneity for what it meant "to be a man" in antiquity. Being a Man is an indispensable resource for students of the ancient Near East, and a fascinating study for anyone with an interest in gender and sexuality throughout history.

A revised edition of the classic, myth-shattering exploration of American family life during the Cold War. When Homeward Bound first appeared in 1988, it forever changed how we understand Cold War America. Elaine Tyler May demonstrated that the Atomic Age and the Cold War shaped American life not just in national politics, but at every level of society, from the boardroom to the bedroom. Her notion of "domestic containment" is now the standard interpretation of the era, and Homeward Bound has become a classic. This new edition includes an updated introduction and a new epilogue examining the legacy of Cold War obsessions with personal and family security in the present day.
