Lillard presents the research behind nine insights that are foundations of Montessori education, describing how each of these insights is applied in the Montessori classroom. In reading this book, parents and teachers alike will develop a clear understanding of what happens in a Montessori classroom and, more importantly, why it happens and why it works. In *Diverse Families, Desirable Schools*, Mira Debs offers a richly detailed study of public Montessori schools, which make up the largest group of progressive schools in the public sector.
