When a dying Green Lantern crash-lands on Earth, it is up to fighter pilot Hal Jordan to take on the responsibility of being one of the super-powered defenders of the galaxy.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

Orson Scott Card offers a Christmas gift to his millions of fans with A War of Gifts, a short novel set during Ender Wiggin's first years at the Battle School where it is forbidden to celebrate religious holidays. The children come from many nations, many religions; while they are being trained for war, religious conflict between them is not on the curriculum. But Dink Meeker, one of the older students, doesn't see it that way. He thinks that giving gifts isn't exactly a religious observation, and on Sinterklaas Day he tucks a present into another student's shoe. This small act of rebellion sets off a battle royal between the students and the staff, but some surprising alliances form when Ender comes up against a new student, Zeck Morgan. The War over Santa Claus will force everyone to make a choice. THE ENDER UNIVERSE Ender series Ender's Game / Speaker for the Dead / Xenocide / Children of the Mind / Ender in Exile / Children of the Fleet Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight The First Formic War (with Aaron Johnston)

This 48-page reader follows the adventures of Batman and the last members of the Green Lantern Corps as they battle Despero for the lives of the Green Lanterns and the fate of the living planet, Mogo. This book is ideal for reluctant readers and features full-color art.

A powerful, disturbing thriller reissued in The Originals series of classic teenage fiction. Martha is twelve - and very different from other kids, because of her parents. Strict members of a religious group - the Brethren - their rules dominate Martha's life. And one rule is the most important of all: she must never ever invite anyone home. If she does, their shameful secret - Abomination - could be revealed. But as Martha makes her first real friend in Scott, a new boy at school, she begins to wonder. Is she doing the right thing by helping to keep Abomination a secret? And just how far will her parents go to prevent the truth from being known? The Originals are the pioneers of fiction for young adults. From political awakening, war and unrequited love to addiction, teenage pregnancy and nuclear holocaust, The Originals confront big issues and articulate difficult truths

Most of us view the Bible through the lens of whatever religion we were raised in. Many do not question what they believe or why they believe it. Some have a strong bias on what they believe and read that bias into the text of scripture, which can take away from the true meaning of the texts. After reading a critique of understanding the Bible from a Hebraic perspective called "Twist-a-Matic Theology" and seeing some of the bias of the author and blatant errors, this rebuttal came into fruition. Maybe it is time for a fresh perspective or a challenge to our beliefs. This book will challenge your understanding of scripture and hopefully shed some light on long-forgotten truths as we unravel the scriptures from a Hebraic perspective.
