America could also help you take control of your mundane life. How would you like to ruin your enemies by sharing compromising material about that time they didn't wash their hands? Or annex territory by claiming the stationery cupboard at work as your personal empire? Fancy hacking democracy at the parent-teacher association to ensure you're a shoo-in for social secretary? Or serving up a cold dish called revenge in a high street restaurant? Filled with stories from Putin's extraordinary time in power, and ideas and illustrations to help you emulate him on a small scale, Vladimir Putin: Life Coach is the ultimate guide to releasing the pseudo-elected, judo black-belt, 5D chess-playing autocrat inside each and every one of us.

The FE exam, the first in the two-part engineering licensing process, is taken typically by upper-level students or recent graduates in April or October. This eight-hour exam is closed-book except for a handout provided in the examination room. The exam is divided into morning and afternoon sessions. The morning exam, with 120 multiple-choice problems, is the same for everyone. In the afternoon, examinees must choose to take a discipline-specific (DS) or a general exam, each with 60 multiple-choice problems. The FE Review Manual and the Engineer-in-Training Reference Manual are the core books used to prepare for the morning and general afternoon exams. This is the most effective, up-to-date, all-in-one review your engineering customers can buy for the general Fundamentals of Engineering (FE) exam.
