through life. Shift Happens! celebrates your unlimited potential to grow, blossom, and evolve-in spite of everything. It is a book of hope. The term personal alchemy describes the ability to take a piece of dirt, roll it around a few times, and fashion it into a pearl. This is what an oyster does. Personal alchemy is what your grandmother called turning lemons into lemonade. It is what old wizards described as turning straw into gold. Shift Happens! is about staying open all hours for miracles. Success, love, and happiness are only ever one thought away at most. One
