Lowe Carter and Faith Williams could not be more different. Lowe comes from money, very old money. Faith scrapes by, living paycheck to paycheck, sending what little she has left to her mother and little sister. Lowe is just starting her obligatory two-week visit with her parents when she collides, literally and figuratively, with the beautiful Faith. What better way to spend two weeks of hell than in the company of a hot, sexy woman? The only problem is that employees like Faith are forbidden to fraternize with residents and their guests. Join Lowe and Faith as they sail on The Escape, the world's largest private residence on the water.

A sexy standalone romantic comedy from #1 NYT Bestseller Lauren Blakely!

After photojournalist Shala Winters is hired to attract tourists to a tiny Texas town and her camera is found to hold evidence in a murder, she needs the protection of police chief Sky Gomez, to whom she is unwillingly attracted.

Hailed by Katee Robert as "an author to keep your eye on," Jessica Lemmon brings her heartfelt storytelling to a sizzling novel about a steamy kiss—and a relationship that only gets hotter from there. Cade: I tried. I really tried. I should be out of this small town by now, finishing my law degree and partnering up with my buddies, but I couldn't resist one last street race. Now I'm sidelined in the hospital, and while my injuries will heal, I'm not so sure my voice will return. What kind of attorney can't talk? Yeah, exactly. I'm afraid that I won't be able to come back from this . . . until Tasha Montgomery reawakens every competitive bone in my body. Tasha: I nearly watched Cade Wilson die on that lonely stretch of road. He's damn lucky just to be alive, even if he doesn't realize it. I know he's destined for bigger and better things, but I don't mind helping him get there as he relearns everything he took for granted. Cade's a good student, a real perfectionist; I can tell how much his stutter bothers him. But when he lets his kisses do the talking, everything else disappears. And one day, maybe he'll be able to tell me that he wants me—as much as I want him. Look for Jessica Lemmon's standalone romances with heartfelt HEAs: FIGHTING FOR DEVLIN | FORGOTTEN PROMISES | SHUT UP AND KISS ME | EYE CANDY | ARM CANDY | MAN CANDY | RUMOR HAS IT Praise for Shut Up and Kiss Me "Steamy romance and heartfelt emotion with a couple you can root for—Jessica Lemmon brings them all! I laughed, I sighed, I loved Shut Up and Kiss Me!"—New York Times bestselling author Virna DePaul "[Jessica] Lemmon's sweet contemporary romance about a couple of college kids in the small Midwestern town of Ridgeway might be the perfect confectionary amuse-bouche for a dreary winter afternoon."—Publishers Weekly "Loved. Loved. Loved. The chemistry between Cade and Tasha is off the charts in this fresh and sexy, heartfelt story."—Stina Lindenblatt, author of This One Moment "I couldn't devour this book fast enough and loved getting lost in Cade and Tasha's world."—Books According to Abby "I enjoyed their relationship and easily fell for Cade. . . . An enjoyable read, and I have already one-clicked her first in the Lost Boys series."—Books & Boys Book Blog "There's nothing better than a hero professing his love in a big way. I would recommend Shut Up and Kiss Me by Jessica Lemmon."—Harlequin Junkie "With good pacing and interesting characters, her stories balance all the elements I look for in a romance, pushing all my happy buttons. I highly recommend!"—Smexy Books (Grade: A) "It was so refreshing to see a realistic, flawed couple. I look forward to reading more books by this author."—Lady with a Quill "Jessica, from her very first book I touched, got me hooked beyond measure. Each time, I fall more in love with her writing."—Collector of Book Boyfriends & Girlfriends "Shut Up and Kiss Me is one sweet, sexy, and steamy read."—Boundless Book Reviews "In Shut Up and Kiss Me Lemmon pulled me in, offering moments of laughter, frustration, tears and plenty of curl-your-toes moments."—Caffeinated Book Reviewer Includes an excerpt from another Loveswept title.

She ran from her past. After relocating from a small town in Tennessee, Mila has been living in New York City for a year and a half, more than happy to be lost in the crowd. Living vicariously through her best friend and roommate, Nikki, Mila spends her days waitressing and her evenings at home. Then, one night, after getting exclusive tickets to a nightclub downtown, Nikki is able to convince Mila to let loose for once. He's running from his future. Having lived a privileged life, William is used to getting what he wants, and who he wants. Now, though, in his thirties, he's bored, and seeking more from his life than mindless sex, and even worse—mindless women. Spotting Mila from across the club, he senses right away that she's different from what he's used to, an observation that proves true. One night together will change everything for both of them. Pasts and futures will collide, secrets will be revealed, and the results will transform both their lives forever.

"Another winner from Jessica Lemmon!" Mary Dubé, USA Today HEA blog WHAT KIND OF LAWYER CAN'T TALK? My

plans of becoming a hotshot attorney have gone up in flames thanks to a street race that landed me in the hospital and rattled my brain. My physical injuries have healed, but my voice hasn't bounced back. I've all but given up...until Tasha Montgomery reawakens every competitive bone in my body. I have to have her, but none of my usual tricks are working. Every time I try to speak, my formerly silver tongue trips over my palate and collides with my teeth. You try to sound smooth with a stutter. Tasha insists on helping me, saying I'm "lucky" to be alive. I'm not so sure. Then, during a session, she kisses me and every word rolls off my tongue perfectly. Turns out going a round or two with her fantastic mouth and I'm as good as new. I could get used to this kind of "therapy." Tasha in my bed is healing my voice, but she's also healing a part of me I've been ignoring for years: my heart. "...the perfect confectionary amuse-bouche." Publishers Weekly

A millionaire pretending to be a chauffeur to get out of a marriage pact, what could possibly go wrong?Eleanora "Nora" Atwood is a spoiled heiress who has never shopped for groceries or paid her own credit card bill. When she wants access to a large portion of her trust, her parents make a decree: to get the money she will have to live in the real world for three months. But there is one other way to gain access to the trust-she can marry. All she has to do is cash in the favor Anthony Carter, fellow heir, owes her.Fritz-who hasn't gone by the name Anthony since he broke free of the money world-takes advantage of her lack of recognition when he shows up at the airport after a camping trip and a hiatus from shaving to fetch Nora. When she assumes that he's the Carter's chauffeur, he rolls with it, not realizing she's going to be his next door neighbor. Fritz almost got trapped in a loveless marriage once before, and he's not about to let it happen again.Nora couldn't be more fish out of water, microwaving tin foil and playing audiobooks for her plants. Fritz learns the hard way that opposites attract, as he gets suckered into volunteering to help her navigate her new, cruel world. The more time they spend together, the closer Fritz comes to falling for the zany girl next door, but if he doesn't find a way to tell her he's Anthony Carter before she discovers his secret, he risks losing her forever.

A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award "Charles Blow is the James Baldwin of our age." – Washington Blade "[An] exquisite memoir . . . Delicately wrought and arresting." – New York Times Universally praised on its publication, *Fire Shut Up in My Bones* is a pioneering journalist's indelible coming-of-age tale. Charles M. Blow's mother was a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking poultry at a factory near their segregated Louisiana town, where slavery's legacy felt close. When her philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing every shot, thanks to "love that blurred her vision and bent the barrel." Charles was the baby of the family, fiercely attached to his "do-right" mother. Until one day that divided his life into Before and After—the day an older cousin took advantage of the young boy. The story of how Charles escaped that world to become one of America's most innovative and respected public figures is a stirring, redemptive journey that works its way into the deepest chambers of the heart. "Stunning . . . Blow's words grab hold of you . . . [and] lead you to a place of healing." – Essence "The memoir of the year." – A. V. Club
