State Philadelphia, Pennsylvania, A QuickBooks Guide for Vacation Rental Managers is available in printed format. This is the only book in the world that teaches an easier accrual and cash basis accounting system for short term rental property management businesses using QuickBooks. During tax time and year round, real estate professionals everywhere have been dreaming about an easier, faster method of doing their company bookkeeping and now, with A QuickBooks Guide for Vacation Rental Managers, they have it. The new vacation property management manual, just like all the other books before it, will teach property managers how to get their books up-to-date and ready for tax preparation in the least amount of time imaginable. They will easily stay current applying the system to their day-to-day operations. Send an email to the author with proof of purchase to access to tutorial videos and receive a QuickBooks file customized with both Chart of Accounts and over 150 reports for vacation rental managers. The QuickBooks files are available for Australian, Canadian, US, or UK versions of QuickBooks. As a QuickBooks property management advisor, author, Gita Faust, takes the guesswork out of entering and maintaining your financials by providing concise, easy-to-follow guidelines. You will achieve the results you want with minimal time and effort-and much less stress By following the step-by-step instructions provided in A QuickBooks Guide for Vacation Rental Managers, you will be able to quickly run reports showing how much guests owe you and how much you owe owners. Why pay hundreds or thousands of dollars for this when you can now learn it and do-it-yourself? The illustrated, step-by-step, hands-on manual reveals the secrets of how accountants organize and record transactions that are months or even years behind. A QuickBooks Guide for Vacation Rental Managers is designed to save you time and money and keep your business books up-to-date. The cash basis method of filing tax returns is the most widely used method in our country and the lessons learned will ensure that your business is IRS audit proof. Gita Faust, of FastTracConsulting.com, has been an Advanced QuickBooks Certified ProAdvisor since 1999 and is the only ProAdvisor to write a series of books about QuickBooks property and real estate management. Her firm is an Intuit Premier Reseller of QuickBooks products and services. Gita has used the very methods described in her manual herself for over 30 years. Shani D'Cruze and Louise A. Jackson provide students with a lively overview of women's relationship to the criminal justice system in England, exploring key debates in the regulation of 'respectable' and 'deviant' femininities over the last 4 centuries. Major issues include: - Attitudes towards murder and

infanticide - Prostitution - The decline of witchcraft belief - Sexual violence - The 'girl delinquent' - Theft and fraud. The volume also examines women's participation in illegal forms of protest and political activism, their experience of penal regimes as well as strategies of resistance, and their involvement in occupations associated with criminal justice itself. Assuming that men and women cannot be studied in isolation, D'Cruze and Jackson make reference to recent studies of masculinity and comment on the ways in which relations between men and women have been understood and negotiated across time. Featuring examples drawn from a rich range of sources such as court records, autobiographies, literature and film, this is an ideal introduction to an increasingly popular area of study.
