Graphic Novel proven to be effective. This book draws on cutting-edge research, surveys and classroom observations to provide a set of effective methods for teaching with graphic novels in the secondary English language arts classroom. These methods can be applied to a broad base of uses ranging from understanding literary criticism, critical reading, multimodal composition, to learning literary devices like foreshadowing and irony. The book begins by looking at what English language arts teachers hope to achieve in the classroom. It then considers the affordances and constraints
