Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

"I have to be honest with you. Islam is on very thin ice with me....Through our screaming self-pity and our conspicuous silences, we Muslims are conspiring against ourselves. We're in crisis and we're dragging the rest of the world with us. If ever there was a moment for an Islamic reformation, it's now. For the love of God, what are we doing about it?" In blunt, provocative, and deeply personal terms, Irshad Manji unearths the troubling cornerstones of mainstream Islam today: tribal insularity, deep-seated anti-Semitism, and an uncritical acceptance of the Koran as the final, and therefore superior, manifesto of God. In this open letter to Muslims and non-Muslims alike, Manji asks arresting questions. "Who is the real colonizer of Muslims - America or Arabia? Why are we all being held hostage by what's happening between the Palestinians and the Israelis? Why are we squandering the talents of women, fully half of God's creation? What's our excuse for reading the Koran literally when it's so contradictory and ambiguous? Is that a heart attack you're having? Make it fast. Because if more of us don't speak out against the imperialists within Islam, these guys will walk away with the show." Manji offers a practical vision of how the United States and its allies can help Muslims undertake a reformation that empowers women, promotes respect for religious minorities, and fosters a competition of ideas. Her vision revives Islam's lost tradition of independent thinking. This book will inspire struggling Muslims worldwide to revisit the foundations of their faith. It will also compel non-Muslims to start posing the important questions without fear of being deemed "racists." In more ways than one, The Trouble with Islam is a clarion call for a fatwa-free future.

"The Partitions of Poland or Partitions of the PolishLithuanian Commonwealth were a series of three partitions which took place in the second half of the 18th century and ultimately ended the existence of the PolishLithuanian Commonwealth (Polish: Rzeczpospolita Obojga Narodów; Lithuanian: Abiejų Tautų Respublika), resulting in the elimination of sovereign Poland, and Lithuania, its partner in the Commonwealth, for 123 years. The partitions were conducted by the Russian Empire, the Kingdom of Prussia and Habsburg Austria, which divided up the Commonwealth lands among themselves progressively in the process of territorial seizures."--Wikipedia.
