Based on the authors' experience teaching Korean to his children who were born and raised in the United States, "Yes, You Can Speak Korean!" a two-volume textbook series, has been specially written for young learners who start to learn Korean as their first foreign language. This book is an inspiring resource which will help young learners acquire basic vocabulary, grammar and expressions as they learn how to read proficiently. The main features include in this series: clear and concise explanation on how to read Korean, easy guide to pronounce Korean alphabet properly, class-work and homework activities, and flash cards with basic vocabulary.

"I Can Speak Korean" Book for Beginners is a grammar book with exercises and answers. With the book you can master the beginner's level even though you are an absolute beginner. The book is very practical since it provides not only key grammar but also basic phrases and expressions. Learners can learn grammar in a simple and easy way while engaging in the variety of exercises in the book.

"I Can Speak Korean" Book One is a crash course for students beginning the study of the Korean language. With the book you can master the beginner's level even though you are an absolute beginner. Also, you can learn grammar in a simple and easy way while making sentences.

A handy introduction to the Korean language that is concise, simple, and useful. Much more than a Korean phrasebook, Practical Korean has been written to fill a specific need: that of the hundreds of thousands of people now visiting Korea for business or holidays or even living there for a year or two, who wish to learn something of the spoken Korean language around them. The grammatical structure of Korean is particularly complicated, and difficulties plague foreign students learning Korean. Samuel E. Martin, renowned Asian language expert and professor emeritus at Yale University has simplified some of the common problems to acquaint the reader with the most useful way to say a lot of everyday things, without having to memorize long lists of grammatical rules. The compact size makes it ideal for traveling to Korea or reading on a plane, train or bus. The sentences are almost all given in the polite (yo) style, which is both the simplest and the most widely used. From this manner, another common style—the Intimate style—is easily derived by merely dropping the final particle. From a practical point of view, this is the quickest and simplest way to put a foreigner into direct communication with Koreans, including the use of a Korean phrasebook. The student will quickly make progress learning to comprehend and speak Korean. The material is presented using the romanization method of written Korean that is officially authorized by the Korean government as well as the native Korean script (Hangeul). Practical Korean is grouped into 47 lessons that cover all the common topics of conversation, grammar and vocabulary.

This book has been compiled so that readers can study spoken Korean on their own, acquiring both fluency and accuracy by listening to the accompanying CD. Speaking Korean for Beginners, the most effective book for those just starting out with their study of the Korean language, incorporates useful expressions while providing key insights into Korean culture.

Learn Korean quickly and easily! Let's Speak Korean (with Audio) is the proven method and the perfect solution for everyone! With over 1,400 expressions from 21 topics, paired with audio files by a native Korean voice actor, as well as pronunciation guide and our own unique grammar guides, even beginners will speak Korean in no time!

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Learn how to communicate in Korean with this accessible, entertaining program! Learning a new language can be especially challenging when the language uses a non-Roman script. Read and Speak Korean for Beginners, 3rd Edition overcomes this obstacle by providing an accessible, entertaining program to reinforce vocabulary and help you create basic structures. Each of the book's eight topics was designed to help you develop your communication skills in key areas of daily life, such as introducing yourself, asking for directions, talking about your family and your country, and describing people, places, and objects. This updated edition is supported by flashcards for vocabulary in each topic, and two end-of-topic quizzes. The accompanying audio via the McGraw-Hill Language Lab app features all the key words and phrases so you can hear how they are pronounced and then have a chance to repeat them. Fun tests and puzzles reinforce your progress. Additional listening activities and games are also featured for additional language reinforcement. Read and Speak Korean, 3rd Edition features:

- An accessible, proven approach to help you communicate in Korean
- A two-color layout and photographs illustrating key vocabulary
- Games, puzzles, flashcards, and audio lessons to help you build language skills
- Clear explanations of how basic phrases are used for practical communication
- Streaming audio for valuable speaking and listening practice
- Detachable flashcards for language reinforcement, and more

Korean and English are very different languages, structurally and linguistically. For example, when meeting new people, Korean people say " (literal translation: I will meet you for the first time)". "I will meet you for first time" sounds unnatural in English. Examples like this show just how different English and Korean are. In my opinion, the best way to study Korean is to memorize natural Korean sentences and use them in real life situations. These books are a vessel for learning natural Korean sentences in various situations. For example; going to a cafe, a restaurant, meeting friends or older people. Within this book, you will also find various vocabulary and grammar structures. This book can be read again and again until the day you speak like native Korean! Speak like native Korean and surprise your Korean friends!

This portable, user-friendly Korean language guide, phrasebook and dictionary is the cheapest and easiest way to learn Korean before and during your trip. If you only want to purchase one Korean language book—Essential Korean is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of South Korea and is also designed as a Korean

phrasebook, making it the most versatile Korean language learning tool on the market. Perfect for business people or tourist traveling to Korea or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Korean phrase book or as an English–Korean Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Korean without the need to say a word. You will soon find yourself turning to Essential Korean again and again when you study Korean, visit Korea and work or interacting with Koreans. In this book you will find: Over 1500 practical sentences for everyday use. A Korean dictionary of over 2000 terms and expressions. Extensive information about Korean grammar and pronunciation.
