Your Presence Is Requested is a challenge to parents and communities to become involved positively in the life and education of a child. It is a collection of essays on parenting and education that promotes child-centered teaching and learning. Every child needs and deserves an advocate and someone who cares for and supports her.

Sunny Taylor is an American nurse who hides behind a mask of crisp professionalism at a Finnish convalescent hospital called Suvanto. On a late-summer day, a new patient arrives on Sunny's ward, and soon Suvanto's reliable calm begins to show signs of strain. As summer turns to fall, and fall to a long, dark winter, the escalating menace of Your Presence Is Requested at Suvanto - Maile Chapman's astonishing debut novel - builds to a terrifying conclusion.

Wedding Planner & Organizer helps couples keep track of every detail leading up to their Big Day. It's the organizer that includes exactly what you need for on-the-go, on-the-ground

wedding planning. Packed throughout are tips, tools, checklists, spreadsheets, and schedules to help brides (and grooms) manage everything from building a wedding timeline and organizing the dreaded seating chart to getting the wedding party matched and fitted. - SUPPLIER PLANNER - BACHELORETTE PARTY - BRIDAL SHOWER - BRIDAL SHOWER - BACHELOR PARTY - REHEARSAL DINNER

Invitation.

At last a truly 'All-In-One' Wedding Planner. From the softer side of what goes into planning a wedding from Marian's view to the nuts and bolts of the required planning elements from Bryan's eye, comes a true, 'How To and Do' program. With Wedding Planning Made Simple not only are you presented with the information you need to plan your wedding, but you will have access to the on-line planning program that lets you implement the templates and planning tools discussed in the book to create your own personalized wedding. Far superior to the typical hard copy wedding planners in that once written in they are really not re-useable. With the on-line program you have the flexibility to add, manipulate, change or modify your planning as often as you like to suit your desires. To make it even better, you will be able to create your own personal wedding webpage as part of this package. Since the program is on-line and you have your own secure login and password you are able to share your details with those of whom you may be separated by distance. Best wishes with your upcoming nuptials. PlanningMadeSimple.com

Plan your perfect wedding, at home or abroad. Planning a wedding doesn't have to be hard work. Take the pain out of the preparation and let Wedding Planning For Dummies help you design your dream wedding day – while saving time and money! Whether you're planning a traditional church ceremony, a quiet family celebration or a romantic destination wedding, this book offers all the budgeting tips, essential checklists and more that you need to make sure your special day runs smoothly. Content includes: • Budgeting for the big day. • Keeping it legal – getting all the legalities in place in plenty of time. • Preparing a guest list – who to invite, and where to draw the line. • Planning the schedule for the day, and any surrounding events (next day brunch, weekend plans). • Advice on choosing your dress, photographer, music, flowers, cake, wedding rings and more. • Destination weddings – the pros and cons of taking the plunge abroad.

Your Presence Is Requested is a challenge to parents and communities to become involved positively in the life and education of a child. It is a collection of essays on parenting and education that promotes child-centered teaching and learning. Every child needs and deserves an advocate and someone who cares for and supports her. These essays help parents and caregivers think about and plan for the life changing experience available through education. Using personal experiences as a parent and educator, Dr. Veda Pendleton McClain shares information from her education process as well as that of her children. She provides timely insight into the issues plaguing our education system from multiple perspectives. She also offers achievable sensible solutions to these issues and examines what each of us can do daily to promote the wellbeing of a child. This is a must read for parents and educators alike.
